Construction

Frame

Sustainably grown pine
Reinforced with Steel

Seat and Back

Multi-High density foam and feathers

An architectural design with a full black steel base; the Aline sofa ticks all the boxes from every angle.

The Aline sofa is one of the comfiest sofas on the market; featuring slim angled arms and seat cushions that curve around the arm.

The seat cushions are shaped perfectly to ensure your body relaxes completely; with a layer of luxurious feathers on top of the highest quality foam.

Designed and made in New Zealand the Aline is available in numerous configurations and the **fabric of your choice**.
