

Wilbur chair by **forma**

Our Wilbur chair is one to curl up on. Available fixed or on a 360 degree swivel to maximise every aspect of your home.

The back features vertical quilting with piping detail that adds the finishing touch to both the frame and cushions. The Wilbur chair has a foam seat cushion that is Tetron wrapped and a luxurious back cushion that has a foam core with feather duvet wrap.

Shown here in [James Dunlop Alpine - Artichoke](#)

Proudly **designed and made in New Zealand.**

Made to order in our New Zealand factory in the **fabric of your choice.**
