

Zanders dining table by **forma**

With an architectural geometric black steel base and a solid American Ash top, the Zanders table is not only a stunning statement piece in your dining room, it maximises the amount of guests you can have around your table.

Wood: 32mm thick American Ash

Finishes available: Whitewash (as shown), natural oak, walnut, dark walnut and black

Base: Solid steel base powder-coated black

Proudly **designed and made to order in New Zealand.**
